REMARKS

A review of the application and claims post receipt of the Notice of Allowance and Fee(s) Due form revealed the need for further amendment to the claim language. Specifically, Claims 13 and 30 have been amended to correct the claim terminology. Claims 28, 29, and 34 have been amended to clarify the claim language. Claim 33 has been amended to fix a typographical error and has also been amended to correct the claim terminology.

A review of the application further revealed that an Electronic Information Disclosure Statement and a Supplemental Information Disclosure Statement form filed by Applicant on August 27, 2004 and an Electronic Information Disclosure Statement filed by Applicant on November 23, 2004 have not been initialed and returned to the Applicant. Therefore, Applicant has enclosed a copy of the Information Disclosure forms that were submitted to the Patent Office for signature by the Examiner and request that the Examiner sign the forms and return to the Applicant preferably well before the issue fee payment due date of September 20, 2006.

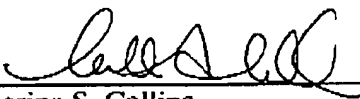

Since the proposed amendments relate to matter of form only and do not require further search or consideration by the Examiner, Applicant respectfully requests entry of such amendments to the claims.

Respectfully submitted,

By: Van Dyke, Gardner, Linn & Burkhardt, LLP
